Users

There are three kinds of users.

- **Super admin:** Who will control all the portal related activities. In the activity list super admin can show-hide any layout, introduce new service and toggle services, Grant permission for other users, Grant module/components provision, Assign admin etc.
- **Judiciary Admin**: judiciary admin is responsible for entry information, update information, grant service requests for the litigants or other judiciary staff, etc.
- **Litigants**: The general user who is willing to visit the portal for certain information/service. Also apply for e-service, download forms etc.
